Familia de Las Américas Kansas City
2016-2017 Program

Our Vision...

In union with the Mission of the Family Life Office of the Diocese, we believe the family is a precious gift from God, and the fundamental building block of society. A couple's shared fertility ought to be understood, valued and respected as a natural part of a healthy family; and widespread Natural Family Planning is fundamental to building a Culture of Life,

step 1 Students attend a *"Sesion Introductoria"*

- Our first "Sesión Introductoria" was at St. Mark's Parish (Independence, MO) on Jan. 21, 2017
- Further Intro Sessions are scheduled quarterly throughout the Metro Area in Core Hispanic Ministry Parishes.

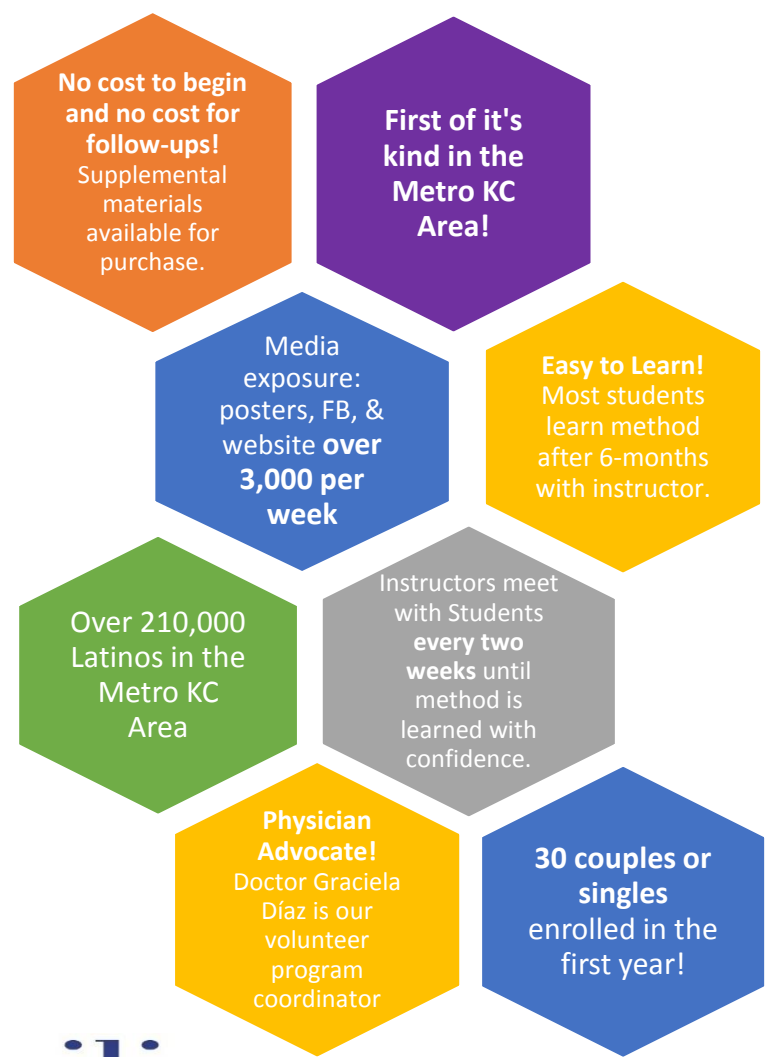

step 2 Students enroll with an instructor to follow-up

- Students start meeting with instructors every two weeks, until the method is learned with confidence, and then less frequently as needed.
- Married students are paired with married instructors.
- Single female students are paired with female instructors.
- Most students learn the method within six months!
- Students have the option to meet in their home, parish or other location where they feel most comfortable.

step 3 Students stay in touch!

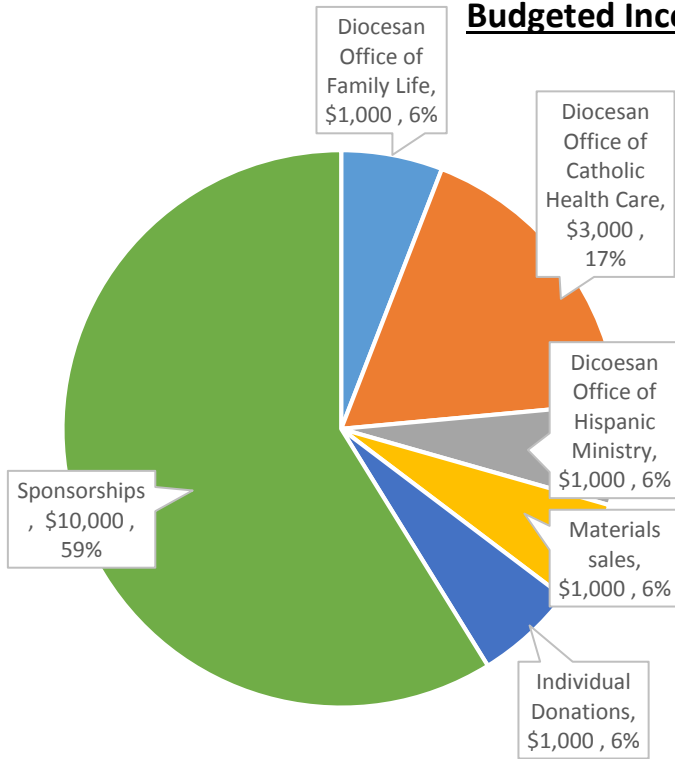

- All students and their families are invited to our Annual "Fiesta de Familias" every fall, to inspire them and strengthen our community.
- We keep in touch with our students by semi-annual phone calls after they learn the method with confidence.
- Students who have successfully learned and practiced the method for at least one year are eligible to enter instructor certification training.

meaningful marriages, and healthy children.
